THE DEPUTY VICE-CHANCELLOR'S OFFICE
(ACADEMIC AND INTERNATIONAL)
UNIVERSITI UTARA MALAYSIA**

**NOTICE
REGARDING THE IMPLEMENTATION OF THE 34TH CONVOCATION
CEREMONY OF 2021
UNIVERSITI UTARA MALAYSIA**

Universiti Utara Malaysia (UUM) is very proud to celebrate your efforts and success and to become a graduate in the Convocation Ceremony. The University understands that this ceremony is a much-anticipated moment for every graduate. However, the planned 34th Convocation Ceremony of 2021 is still not feasible due to the current situation of the covid-19 pandemic which has not subsided.

The University, however, has decided to hold the 34th Convocation Ceremony of 2021 in March 2022. However, the method of implementation of the ceremony has not yet been determined and will only be decided by December 2021. Decision on the method of implementation of the ceremony, whether it will be face-to-face or virtually, will depend on the current situation of the covid-19 pandemic at that time, in addition to complying with the latest directives and circulars issued by the Government and the authorities.

The University will ultimately prioritise health and safety factors of all parties involved, in all situations, as the basis for consideration in making decisions on the implementation of the Ceremony.

The Department of Academic Affairs (HEA) will issue announcements from time to time through the department's official media channels (email, Facebook, and HEA website) for reference and follow-up action by all graduates.

Thank you for your time and attention.
